General Information

Planning your event with the Club is simple. Your Falcon Club catering manager will assist you in all aspects and will guide you through the procedures from start to finish.

To implement a successful event, certain club policies are in place to ensure quality, consistent service and exceptional, creative cuisine to our members. We look forward to working with you for an unforgettable event.

Our catering manager will be happy to answer your questions. We look forward to serving you.

**PRO-RATA FORMS & POLICY LETTER**

For your convenience, we have pro-rata forms you may use to pro-rate and charge individual Club Card, Visa or MasterCard credit card accounts. Pro-Rata forms are due four BUSINESS DAYS prior to the function along with full payment. Additionally, we ask for your assistance in ensuring the participants know the actual cost of meals and services being provided by the club. They should know of any costs above that amount required to cover non-club services related to your event. Please be sure your guests are aware you will be charged for the final number and no-shows will not receive a refund and will be charged as the meals have been prepared by final numbers ordered.

**FORCE MAJEURE**

Neither party shall be responsible for the failure to perform this contract if circumstances beyond their control, including but not limited to acts of God (natural disasters – earthquakes, floods, hurricanes), Government restrictions (wars, riots, or other major upheaval) including the denial or cancellation of any export or other necessary license, insurrection and/or any other cause beyond a reasonable control of the party whose performance is affected.

**CATERING TO YOUR NEEDS**

As a member, you have many options when entertaining your guests. Our enclosed catering menus will provide you with complete creative cuisine served by our quality service staff at the Club.

You won’t have to lift a finger to give your guests an event to remember for years to come. We also have a nice selection of items that transport well on those occasions when you want to have a hassle-free event at the office or at home.

**CARRY OUT SERVICE**

Carry-out services are available at the Club. Contact the catering department for ordering assistance and coordinating pickup schedules.

**ENTERTAINING AT HOME**

We value you as a member. We know there are times you want to do things at home, but may not have enough of a particular service item, i.e. glassware, china, or flatware, to support your needs. We are here for you.
Members do not pay a fee when borrowing (for their personal use) small quantities of daily-use china, glassware, flatware, or tables or chairs when these items are not in use in support of Club functions.

Ice, when available in excess of Club needs, is available to members free of charge. However, members must provide their own containers and transport arrangements. In addition, Sternos or other food warming products may be purchased at cost. This membership lending benefit does not apply to squadrons and private organizations.

All borrowed items will be signed out on a hand receipt and will have an explicit return date/time. Failure to return items on or before the agreed time will result in additional charges. Lost or broken items will be replaced at current cost.

**LINENS**

When purchasing food items from the Club, linens will be supplied with your event. When renting rooms for military events that do not request catering, the Club may supply linens within reason, and has the right to charge for additional linens needed. Linen may be borrowed. Cleaning fees are $5-$7 per tablecloth, 75¢ per napkin and $10 per skirt.

**MULTIPLE ENTRÉES**

When choosing a split entrée (two different entrées for the same event), the Club kindly requests final designation meal choices 10 working days prior to the event. **Split entrées are available for parties of 30 guests or more.**

We highly recommend a duet plate for guests under 30. This easily accommodates most guest appetites. The Club requests color codes on luncheons and dinners where two entrées are ordered. This practice expedites service and ensures each guest gets what they ordered. On large functions, however, it is strongly recommended to go with a duet entrée as it expedites service yet still pleases everyone.

**SERVING TIMES**

We pride ourselves in meeting the serving time listed on your contract. For seated functions, the staff will invite your guests to be seated 5 to 10 minutes prior to actual serving time. If, for any reason, you need to delay the serving time, please notify the catering manager as soon as possible to ensure quality, taste and eye appeal of your meal. For meal service requests at other than normal operating club hours, special pricing may apply. The catering department will work with you to identify those charges in advance.

**MEETINGS & SEMINARS**

We specialize in social events for members and guests that contract for food and beverage services. Members and organizations wishing to use rooms for private meetings and seminars need to contact the catering manager for details concerning available times and any applicable charges. Included in this document are room use fees and guidelines to help you plan within your budget.
AUDIO VISUAL, VENDOR & MATERIALS GUIDELINES

For your convenience, microphones and podiums are available through the catering manager to support your function. Identify your needs to the catering manager well in advance of the function so we can reserve these items for you.

If a specialty item is not available within the Club, you may request permission from the caterer for an outside vendor. They must coordinate with the catering manager to receive clearance to come onto the base. If display or conference support materials are being shipped into the Club, clearly mark the boxes with the name of the function, host/sponsor name and date. Also mark the boxes “Deliver to the catering department”. Please notify the catering manager of any special storage needs for rented or shipped items.

ANNOUNCEMENT SIGNS

On the date of your event, the name of your function and the room location will be posted in a highly visible area of the club.

CANCELLATIONS

All cancellations must be made in writing or by email. Cancellations must be made 60 business days prior to events. Cancellations made within 60 business days will be charged a $100 cancellation fee. Cancellations within 30 days prior to the event will be charged the room fee.

SERVICE CHARGES

All prices on food and beverage catering held within the Club will be charged a 20% service charge. All off-site functions will incur a 30% off-site fee.

DECORATIONS

All decorations are the responsibility of the host/sponsor. To preserve the beauty of the Club for all members and their guests, we request no nailing, tacking or taping to the walls, ceiling or any part of the Club. The host/sponsor is financially responsible for any damages to the facility resulting from misuse of decorations.

With the exception of place cards and some individual table decorations, all decoration must be fire resistant and meet the codes of the base fire department. Our caterer will assist you in coordinating your decorations in accordance with the fire codes. Please coordinate the time you plan to decorate your tables and area with the catering manager to ensure there is no conflict with other functions or additional fees.

PROPERTY, LIABILITY AND DAMAGES

Neither the Club, nor the Air Force is liable for any loss or damage to merchandise, equipment, or articles left in any facility prior to, during, or following any event. You must retrieve any personal items immediately after your event. The host/sponsor will be held responsible for any losses or damage to the building, equipment, house decorations or fixtures belonging to the club/base caused by the host/sponsor or guests. Damages will be billed to the host/sponsor at market replacement cost plus labor.
