

# Welcome to your United States AF Academy!

As you become oriented to USAFA's mission, take a moment to locate and review USAFA's Strategic Plan.

Lt Gen Jay Silveria

Understanding USAFA's Strategic Plan and your role in how these mission requirements are successfully deployed are fundamental elements to a job well done. It also serves as a great starting point for identifying gaps in performance, or opportunities for improvement and innovation.

The Strategic Plan can be found on <https://sharepoint.usafa.edu>

At USAFA we believe in Innovation because it enhances knowledge and empowers people. To move forward from this concept USAFA has established a goal to “Develop and Motivate the Workforce”.

Critical to the success of this goal is your professional development . Therefore, USAFA has several avenues available to enable you to expand your own knowledge, skills and abilities.

One avenue is USAFA’s Continuous Process Improvement and Innovation (CPI2) team. You can join this team by enrolling in Office 365 (code - [14dyrwoe3](#)). USAFA CPI2 Team can provide you an opportunity to develop valuable problem-solving tools utilized by Top Fortune 500 companies as well as the DoD. Think improved job skills, think big picture, think Air Force!

If you thrive on challenges and are interested in continuing your professional development join USAFA’s CPI2 team.

## Did you know the AF provides an e-Learning Lean, Six Sigma Green Belt course?

**The AF's Continuous Process Improvement and Innovation (CPI2) training is free to you and introduces you to the Lean, Six Sigma (LSS), Theory of Constraints, and Business Process Reengineering problem solving methodologies. All Airman are highly encouraged to take these courses!**

**These tools and techniques are presented to you in the Air Force CPI Foundational and Green Belt (GB) Courses and directly supports AF 1-1 and AFI 1-2. Enrollment instructions can be found on Office 365 Teams using the following code - [14dyrwoe3](#). To locate the instructions open Office 365, select the Teams tab, then click on the “join team” button and enter the code above. Under the files tab download the instructions that will take you step by step through the enrollment process. Joining USAFA’s team will give you access to USAFA’s CPI practitioners who are excited to support your training and answer your questions as you practice these skill sets!**

**If your interested in the USAFA CPI2 program/opportunities, please don’t hesitate to join our team where more information can be found under the USAFA CPI Team/Files tab/CPI2 Pamphlet.**
