Where to go?

The Casualty Assistance Office at your nearest Air Force Base will assist your family members when the time comes to make notification to DFAS and apply for benefits after your death.

If you do not know which base nearest you, call 1-877-353-6807 and enter your zip code when prompted and you will be connected to your nearest Casualty Assistance Representative.

What benefits does my spouse/beneficiary need to apply for?

Arrears of Pay

Retiree Arrears of Pay (AOP) is any pay due the retiree but unpaid at the time of death, to which a named beneficiary is entitled. Typically, this is a prorated amount that covers the first day of the month through the retiree's date of death.

Recoupment Process

The retirement pay of a military member stops on the first day of the month in which the retiree dies. Therefore, **ALL** pay deposited after the date of death—including pay deposited for that month—is automatically recouped by DFAS from the retiree's checking account. After a complete audit of the retirement account, any arrears of pay is calculated and paid to the retiree's named beneficiary. This payment will be a US Treasury check mailed to the beneficiary.

Submitting an Arrears of Pay claim

You will need the Death Certificate in order to submit the Arrears of Pay claim. Please contact the Peterson Casualty Assistance Office at (719) 556-6232 for assistance with this claim.

Questions about Arrears of Pay can be directed to the Defense Finance and Accounting Service Contact Center at 1-800-321-1080

Survivor Benefit Plan

Military retirement pay stops when a member dies. The Survivor Benefit Plan (SBP) is a Government program which makes it possible for retired members to ensure that after their death, their eligible survivors receive a portion of the military retirement pay in the form of a monthly annuity. The annuity payable is 55% of the Base Amount elected. The Base Amount may be Full Gross Retired pay or any dollar amount down to \$300. The SBP election is made at the time of retirement. If SBP was voluntarily declined at the time of retirement, then no annuity can be established after the death of a retiree.

If you participated in the Survivor Benefit Plan and have divorced, remarried or are a widow/widower, you need to update your SBP Plan.

What does my next of kin need to submit a claim?

Please contact the Casualty Assistance Office at the Air Force Base nearest to you. The Casualty Assistance Representative can assist you with this claim.

You will need the Death Certificate in order to submit the SBP claim. Your Survivor Benefit Plan Annuity will be established as a Direct Deposit. Please plan on bringing a Voided Check for the bank account in which you would like the SBP directly deposited into each month.

Remember you will need:

- Death Certificate
- Voided Check for a Bank Account

Life Insurance

The CAR will also assist your next of kin in applying for VA life insurance benefits. Whether you carry life insurance through the VA or through a private insurance company, be sure to include this information with your important papers.

Department of Veterans Affairs

Depending upon many factors, there may be Department of Veterans Affairs (VA) benefits due upon the death of a military retiree. The Casualty Assistance Representative will speak with you about any applicable VA benefits and can assist you with any VA claims.

What can I do to be prepared?

Locate important documents:

- DD 214
- Retiree Account Statement (RAS)
- Wills or other legal documents
- Life insurance policies
 - Policy papers and how the premium is paid (allotment, direct debit, mailed check?)
- List of payees and amounts for any allotments coming out of your retired pay.
