outdoor laser tag

Want a great team building activity, an unforgettable family reunion, or the best birthday party ever!? Our Outdoor Laser Tag is for you. Our outdoor battleground is larger than a football field and has lots of natural and man-made objects to hide you from the enemy. We use 6 pound metal guns with red dot sights that look like MP5's. We can play up to two teams of ten players each using nine assault rifles and one highly sought after sniper rifle on each team. Outdoor Laser Tag units use a harmless infrared technology so it does not hurt like airsoft or paintball. There is different kind of strategy with our guns because unlike those projectile guns ours can shoot without any drop or falloff, shoot in a perfectly straight line up to 1200 feet and at the speed of light! It's a whole different game. Our Refs. will orchestrate a variety of team activities as well as some lone wolf/shoot anything that moves.

COST: \$15 each for a 150 minute session. That's 10¢ a minute. Or if you have a large group pay \$200 and play up to 20 players at a time and even rotate more people in and out.

10 person min, 20 person max. Ages 9+. Rent Pavilion #1 or #2 from FamCamp and add a great place for a party and cookout. Contact FamCamp for prices and availability.
