MEMORANDUM FOR 10 ABW PERSONNEL

FROM: 10 ABW/CC

SUBJECT: 10 ABW Resiliency Days 2022

1. The 10th Air Base Wing's mission has a different battle rhythm than a traditional military installation. In order to provide world-class medical and mission support to the United States Air Force Academy, many of our personnel are required to work weekends and holidays. The nature of our business does not afford us the opportunity to collectively, as a Wing, take a set date as a Resiliency Day.

2. This memo outlines the selected resiliency days for USAFA and the ABW:

3. I am authorizing Group Commanders to use their discretion, or defer to Squadron Commanders or Civilian Directors, to select alternate Resiliency Days as mission allows.

Alternate Resiliency Days should be taken the week prior or week following the scheduled holiday, to the maximum extent possible. Liberal leave days for civilians are also authorized as outlined in USAFA Resiliency Days memo.

4. Thank you for your dedication and commitment to our mission of supporting Cadets, Airmen, and Families.

CHRISTOPHER J. LEONARD, Colonel, USAF  
Commander, 10th Air Base Wing
