

MAKE & TAKE

STUFFY SLEEP OVER

Nov 18. Stuffy Drop-Off from noon; Nov 16, 17 and 18. Dino-Vember and our library dinosaurs are having a sleep over! Bring your stuffy on one of the drop-off days, create a name tag for it at our name tag station and fill out a sleep over form. We will take a picture of your stuffy, its name tag and its form to celebrate its first sleepover and forward it to you. We will also be posting pictures of the Stuffy Sleep Over on our Facebook page for you to see all of their adventures.

MESSY MONDAYS

Mondays; 10am – noon. Library patio/ballroom. Children and their adult can explore, create, and have fun getting messy while making art in an open studio format! The activities are designed to enrich children's creativity and increase awareness of the visual world around them while also helping to develop fine motor skills and self-discovery. *Parental supervision required.*

TEEN-KER TUESDAYS

First Tuesday of the month; 5 – 6pm; Base Library. Like to make things pop, fizz and bounce? Then teen-ker Tuesdays are for you! Join us for messy science! Recommended for ages eight and up.

STORY TIME

Fridays; 10 – 11am; children's room. Children can enjoy a morning of stories, crafts and activities, while developing cognitive and social emotional abilities, creating important learning experiences and learning language and literacy skills.

SILLY Saturdays

Nov 19, Dec 17; 11am – 3pm. Silly Saturdays are just SILLY! Silly games, silly crafts,

silly activities, just silliness. The themes will change, but activities will always be silly, self-guided and different for each month.

MAKER STUDIO

A unique open access learning environment that is open during library hours. Sign up at the base library front desk to use the Maker Studio. Patrons can use supplied tools and materials that encourage inquiry, discovery, creativity and priceless "ah-ha" moments. Activities range from coding, building, to circuits and crafting. *Parental supervision required.*

NEW! QUILTING CLUB

Last Saturday of each month; 10am – noon. Quilting Club is an opportunity for you to learn the basics or new techniques, share ideas, meet new people and create beautiful stuff. We welcome all levels of experience. Call the library for more details.

MINDFUL MOVEMENT AND STRETCHING

Wednesdays; 10-10:40am; children's room. Engage your young ones in 40 mins of mindful movement and stretching at the library. Please wear comfortable clothes.

TAI CHI AT THE LIBRARY

Wednesdays; 11-Noon. Known as "a moving meditation", Tai Chi is a series of gentle movements and exercises, each movement flowing into the next creating a rhythm between mind and body. Join us for a low impact class. Please wear comfortable clothes and shoes.

SPECIAL STORY TIME

Hosted by United Through Reading®
Fri, Nov 18, Dec 9; 10 – 11am; Children's Room. United Through Reading provides reading opportunities and programs for service members and their children. Join us for a morning of stories and crafts while building developmental, cognitive and social emotional abilities, creating important learning experiences, learning language and literacy skills.

Please remember to bring your library card or DoD card to use the library services.

DINO-VERMBER

Nov 1 – 30. Dinosaurs have moved into the Base Library for the month of November. The library staff knows when the dinosaurs migrate, because they leave a new activity or craft behind. Simply follow the dinosaur tracks throughout the library from activity to activity to find out what dinosaur was loose in the library.

TURKEY-TACULAR

Nov 14 – 26. Fun Facts: Only male turkeys gobble, wild turkeys fly and turkeys see better than humans. In 1989 turkeys started getting the presidential pardon and now we are going to celebrate them. Join us at the Base Library in November for self-guided Turkey/fall-themed activities and crafts throughout the base library.

SOCK SNOWMAN

Dec 1-31. The story of the snowman goes back to a 1380 book of hours, the earliest photograph is by Welsh photographer Mary Dillwyn. Here at the Base Library we just love snowmen. Create your own snowman to keep or to share.

HOT CHOCOLATE DAYS

Dec 5 – 10. Hans Sloane brought a recipe for mixing chocolate and milk from Jamaica in the late 1700's, others believe hot chocolate originated from the Mayans 3,000 years ago. Stop by the base library for a cup of hot chocolate, with marshmallows or without.

TEA TIME

Dec 12 – 17. The history of tea goes as far back as 2700 BC. It became an everyday drink around the 3rd century when tea cultivation and mass processing began. In 1908, Thomas Sullivan put tea in silk bags for easy sale. The Base Library will have tea available all week, enjoy a cup of tea while you visit.

WINTER FEST

Dec 19 – 31; During library hours. Winter is the time for giving and sharing. Everyone celebrates the holidays differently, at the Base Library we celebrate with activities and crafts. Enjoy six self-guided crafts/activities that you can give or keep for yourself.
