

## NEEDLE CRAFTS

Tue, May 9, June 13; 9:30 – 10:30am and  
Wed, May 10, June 14; 5 – 6pm.

Join us as we explore the basics techniques of both knitting and crocheting the second Tuesday of each month. Knitting uses two or more needles to loop yarn into a sequence of interconnected loops. Knitting came from the word knot, originated from the Dutch verb knutten. Crocheting was a popular modern art form which most popular in the 1820's in England.

## COSPLAY BASICS

Tue, May 9, June 13; 4 – 5:30pm. The Base Library is hosting a series of evening classes exploring the basics of cosplay and costume creation. Work with an experienced cosplay/steampunk artist who will demonstrate the basics of duct tape molding, cardboard templates, EVA Foam construction, heat gun forming, sewing and painting. Each month, a different topic will be covered. Learn how to create your next costume for Comic Con, Anime Day or Halloween events. All supplies are the responsibility of the participating patron. A supply list will be available a week before class at the library front desk.

## SILLY Saturdays

Sat, May 27, June 24; 11am – 3pm. Silly Saturdays are just SILLY! Silly games, silly crafts, silly activities, just silliness. The themes will change, but activities will always be silly, self-guided and different for each month.

## SAVORY AND SAUCY – A VIRTUAL COOKING CLASS

This series explores cooking seasonal and family favorite recipes, sharing cooking tips/tricks and trying new recipes in our own home kitchen. We post videos throughout the month on our Facebook page so you can follow along in your home, at your own pace.

## QUILTING CLUB

Sat, May 27, June 24; 10am – noon. Quilting Club is an opportunity for you to learn the basics or new techniques, share ideas, meet new people and create beautiful stuff. We welcome all levels of experience. Call the library for more details.

## CRICUT CRAFTING

Thu, May 25, June 29; 1 – 3pm. New to Cricut Maker 3, Cricut Explore 3 or a Cricut Joy or maybe you have an older Cricut machine that you have not used in a while. The last Saturday of each month, the Base Library will be having a Cricut crafting afternoon. Bring in your Cricut machine and project supplies and we will help you navigate how to use your machine, set-up and complete your project and help you use the Cricut Design Space app.

## CRAFTY TRIVIA NIGHT

Tue, May 30, June 27; 5 – 6pm. Tease your brain the last Tuesday of each month with evening crafting and trivia at the Base Library.

## MESSY MONDAYS

Mondays; 10am – noon. Children and their adult can explore, create, and have fun getting messy while making art in an open studio format! The activities are designed to enrich children's creativity and increase awareness of the visual world around them while also helping to develop fine motor skills and self-discovery. *Parental supervision required.*

## SEW WHAT? - A SEWING CLUB

Tuesdays; 10:30am – 12:30pm. No experience, little experience or lots of experience, we welcome you to our Sew What Sewing Club. Come learn the basics or build onto your skills. Some of our activities may include mending clothes, reading/altering patterns, creating gifts, upcycling clothing, or designing and creating accessories for yourself and home.

## TAI CHI AT THE LIBRARY

Wednesdays; 11am – noon. Known as “a moving meditation”, Tai Chi is a series of gentle movements and exercises, each movement flowing into the next creating a rhythm between mind and body. Join us for a low impact class. Please wear comfortable clothes and shoes.

## TECH TIME 101

Wednesdays; 1 – 3pm. Basic help learning how to navigate your computer, cell phone and tablet.

## STRETCHING WITH STUFFY

Fridays; 10:45 – 11:15am. Engage your young ones and their teddy bear or stuffy in 30 minutes of mindful movement and stretching at the Base Library. Stretching is important for increasing flexibility and range of motion, while reducing the risk of injury. It also improves cardiovascular health for you and your teddy bear or stuffy. *BYOB (bring your own bear or stuffy)*

## STORY TIME

Fridays; 10 – 10:45am. Children can enjoy a morning of stories, crafts and activities, while developing cognitive and social emotional abilities, creating important learning experiences and learning language and literacy skills.

## MAKER STUDIO

Open during library hours. A unique open access learning environment that is open during library hours. Sign up at the Base Library front desk to use the Maker Studio. Patrons can use supplied tools and materials that encourage inquiry, discovery, creativity and priceless “ah-ha” moments. Activities range from coding, building, to circuits and crafting. *Parental supervision required.*

*Please remember to bring your library card or DoD card to use the library services.*

## TEEN-KER TUESDAY

Tue, May 2, June 6; 5 – 6pm. Like to make things pop, fizz, bounce and go? Then Teen-ker Tuesdays are for you! Join us for an hour of messy science at the Base Library. Recommended for ages eight and up.

## JEWELRY MAKING

First Tue, May 2, June 6; 4 – 5pm. Explore a variety of techniques, tools and materials to create wearable art. Different materials and projects will be explored. *Parental supervision required.*

## MAKE & TAKE

### INTERNATIONAL HARRY POTTER CELEBRATION

International Harry Potter Day is officially Tue, May 2, the day of the when the epic Battle of Hogwarts was fought. At the Base Library, we celebrate Harry Potter the entire month of May! “Disapparate” (travel) to the Base Library and create a Magic Wand and more Harry-inspired crafts before they “Evanesco” (Vanish).

### MAY THE 4TH BE WITH YOU

May 1–13. Come to the library you will, because this is the activity you have been looking for! Whether you are the for the Rebellion or the Empire, we have crafts for either side of the force at the Base Library. May the 4th be with you!
