Park Hopper Option

The Park Hopper option allows Guests to visit more than one park per day. Guests must make a theme park reservation via the Disney Park Pass reservation system for the first park they plan to visit. After entering that first park, Guests will be able to visit the next park starting at 2 PM until each park's regularly scheduled closure. The ability to visit a park is subject to the park's capacity limitations. At this time a park reservation is not required after the first park, however, reservation requirements are subject to change.
