

Transitioning Requirements

By law, all transitioning military personnel are **required** to complete Initial Counseling and a Pre-Separation Briefing no less than **365** days prior to leaving active duty. Additionally, all transitioning military personnel **must** attend the Transition Assistance Program (TAP) Workshop (DoD Training Day, VA Benefits & Services Class, DoL Employment Day, and an additional 2-day track) and one-on-one Capstone Appointment.

However, members retiring with 20+ years of service, those with *confirmed full-time* employment, or *official* secondary school/training acceptance letter, may be waived from attending the Department of Labor's (DoL) Employment Day and the additional tracks (employment, education, entrepreneurship or vocational). Although the member may waive attendance in a portion of the program, applicable Career Readiness Standards (CRSs) will still need to be verified at the Capstone Appointment. ***(Note: Individuals identified as Tier 3 are ineligible to waive any portions of the program.)***
