white water rafting

Get ready for adventure! Show the river who's the boss as you steer your raft through some of the best white water in the country. Watch those rocks! Paddle forward, now back, lean left, listen to the guide, work together. Nothing presents such a challenge or gives a sense of accomplishment as much as conquering the river, and you can do it with the Outdoor Adventure Program. Surround yourself with beautiful scenery, hot sun and cool water. Cruise past bighorn sheep and towering cliffs as you face the river. Do you have what it takes? We think so. In fact, we know so. OAP has been delivering the experience of a lifetime for over 30 years and now it's time to let us take you. Are you ready?

Trips include transportation to and from the river, wet suit, helmet, personal flotation device, splash jacket, and a hearty, delicious lunch. All participants will be required to read and sign a release of liability before departure. Drugs and alcohol are not permitted on any of our trips. Intoxicated persons will be refused without refund. Our primary concern is for your safety. You will be given a comprehensive safety briefing before launching, so please listen carefully.

All trips meet and depart from the east side of the Outdoor Recreation Center (where the camping trailers are parked) at 6:45 am and return about 5 pm. **All rafting trips include transportation from USAFA Outdoor Rec to the Arkansas River and back. Includes all rafting equipment, lunch, permits, and guides.** Our primary concern is for your safety. All guides are state-certified and hold a First Aid and CPR certification.
